MAGIC SCHOOL

Our client from France ordered 3 escape rooms from us: "Magic School", "Pirates Bay" and "Jungle".

The decision was based on the target audience, being family orientated. They are located in a huge center which has a variety of activities which include bowling, laser tag, billiards and other gaming experiences.

Here are photo's of the "Magic School" escape room, while the other ER's were being installed when we received feedback from our client:

"I wanted to thank you for the QUALITY OF YOUR WORK, for listening and for YOUR KINDNESS

Thank you very much for the accomplishments of escape. Two out of three are installed and WORK PERFECTLY and with ease. I wish you to continue your quality work for a long time to come and to amaze us ever more with new rooms.

Thank you again to the whole team !!!"
